Faculty

FRANK J. SCHWAB

Frank J. Schwab, principal of the junior high school, helps underclassmen make adjustments to the high school system. He helps these seventh and eighth grade students with any problems they might encounter.

Suggesting curriculums and helping work out personal problems are two of his main duties in connection with the freshmen.

SCHOOL BOARD

The School Board, working closely with the community, many school officials, and the superintendent, is always striving to improve our school system. The Board consists of:

Row 1: Mr. Edgar Redman, Mrs. Helen Schinbeckler, Mr. Cecil Smith, Mr. Chet Castator.

Row 2: Mr. David Baker, Mrs. Kenneth Schroyer, Mr. Alan Elliott, Dr. Dale Mattmiller.

ROYAL W. TRITCH

Royal W. Tritch, senior high principal, is the administrative director of all the high school activities. In addition, he finds time to help each individual to see that each student has the necessary majors, minors, and required credits for graduation.

Scheduling classwork and carrying out the policies of the school are his two most important duties. He also devotes much of his time to the preparation of transfers and transcripts which may be needed by former students.

ADMINISTRATION AND FACULTY: *Directed Us*

SECRETARIES

Mrs. Neva Palmer, extra-curricular secretary, keeps records, maintains official data, and performs clerical duties. Mrs. Adele Ruderman, Mr. Tritch's secretary, keeps high school records, listens to our daily complaints, and sells us school supplies.

SCHOOL HELP: *Served Us Well*

Applying their special skills, the custodians, bus drivers, and cooks work behind the scenes.

Firing the furnace, keeping the school clean and neat, and transporting the many students to school are the tasks which our janitors and bus drivers fulfill faithfully.

The cooks do an excellent job of serving daily meals that are both appetizing and nutritional.

CAFETERIA

The cafeteria cooks are Mrs. Hedges, Mrs. Blech, Mrs. Reith, and Mrs. Hanes. Other cooks in the second row are Mrs. Grubb, Mrs. Narkter, Mrs. Munk, and Mrs. Eminger.

BUS DRIVERS

The bus drivers are Meritt Ewell, Robert Firestone, Clark Gould, Robert Cochard, and LeRoy Beiswanger.

CUSTODIANS

Clyde Martin, Max Forbes, Del Longbrake, LeRoy Beiswanger, and Arnol Miller are our janitors.

ACADEMIC: We Enjoyed a Varied Curriculum

As the world changes more and more rapidly, the need for an educational program of the highest quality is increasingly apparent. With the co-operation of the school administrators, the teachers, the students, and the community, our school is constantly trying to improve the quality of courses offered, to offer cultural programs that appeal to the varied interests of our student body, and to introduce new courses designed to help students gain the knowledge they need and wish.

Our school's high standards have provided us with a first-class commission from the Indiana State Department of Public Instruction and membership in the North Central Association of Colleges and Secondary Schools.

Left: Mr. Schwab shows Bard Sorbye, who is wearing a Comet booster sweat shirt, how to do a math problem.

Below: Mr. Haines, Bob Feller, Betty Coyle, and Dennis Ringer are doing an electricity experiment.

Top Left: Larry Antonides and Mickey Newton give artificial respiration to Roger Elliott and friend.

Above: Jane Rasp, Dave Ruderman and Judy Trowbridge recite in a French play in Mrs. Black's French class.

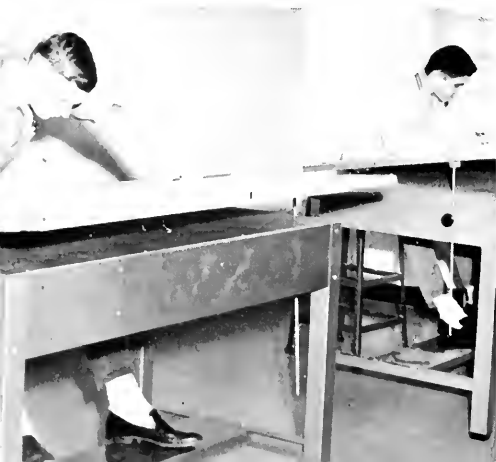

Top Right: Margaret Sibert and Judy Emerick prepare the bulletin board with Miss Stephens in general business class.

Right: Joan Bender and Drenda Cox study filing in Mr. Metz's office practice class.

Many Subjects Were Offered

Above: Junior high students participate in wood-work in Mr. Czupryn's shop class.

Left: Dennis Dukes and Bob Kimpel are busy at the new drafting tables.

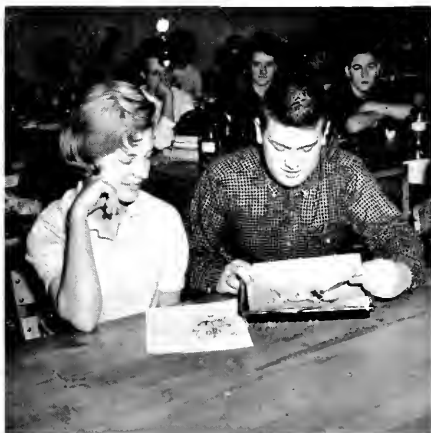

Left: Jack Mohitor does a demonstration in the junior high science lab of Mrs. Engle.

Lower Left: Julie Todd looks on as Charles Courtney dissects a frog in Mr. Rhodes' biology class.

Below: Pam Weingart and Jan Reukerberger are doing a distillation experiment in chemistry class as Mr. Schmeckler observes.

Lower Right: Miss Stone helps Jim Denisto, Lee Shaffer and Judy Rose with a typing problem.

SENIOR OFFICERS

Jerry Stienbarger, Vice-President; Jane Rasp, Secretary; Jim Riehm, President; and Jan Renkenberger, Treasurer, have served the Senior Class with Mrs. Black, their class sponsor.

SENIOR HISTORY

"Striving to become the better citizens of tomorrow." Who? The freshmen at Freshman Parent Night in 1958? Yes, this event was only one of many experiences that were to help them as they worked toward the goal stated in their motto.

What about the sophomores in 1959? Their qualities of leadership and originality were evident when they broke away from the tradition of purchasing rather impractical class sweaters and purchased black fingertip jackets with a grey letter and numerals.

As juniors, the class had an active, fast-moving year as they continued to learn how to become better citizens. They bought class rings, worked on the magazine sale, and created a beautiful Prom.

As seniors, have they finally reached the goal of their motto? No, but they continue trying. Although the seniors can scarcely believe that the long-awaited year of 1962 has finally arrived, they are caught up in the flurry of activities and necessary senior business. After graduation some will get married, others will go into the service of their country, and still others will continue their formal education; whatever they do, they will continue "Striving to become the better citizens of tomorrow."

JUNIOR-SENIOR BANQUET

The long-awaited evening of May 19 finally arrived. The boys, with a freshly groomed appearance, called for their dates who resembled a modern set of Cinderellas. The Grand March started the evening's activities. The festivities were continued in a transformed cafeteria where a buffet style banquet was served. The master of ceremonies for the evening was David Ruderman. The Junior Quintet, composed of Brenda Moreland, Pam Weingart, Maryjo Kimmell, Jane Ryneanson, and Pam Reichart sang to a ukulele accompaniment. The dance, with music provided by Deb Tinkle's band, commenced in the little gym under a setting Hawaiian sun. There were palm trees, butterflies, tropical flowers and fish, a volcano, a little grass shack, a waterfall with pond and goldfish.

Above: The dance itself with its Hawaiian setting was a fitting climax to a memorable evening.

Above: Excitement mounts as Seniors, Juniors, and faculty await their food at the banquet and look forward to the dance to come.

Below: The eventful evening begins at Southside Gymnasium with the Grand March.

JUNIORS

HISTORY

We Juniors, the Class of 1963, felt a strange change enveloping us as we found ourselves "upper classmen" of Kendallville High.

As in the years past, we began the traditional magazine sales in October. Many of us sold over \$100 to make this one of the best selling years.

The first semester class party was entitled "Junior Follies." Part of the entertainment was a can-can by some of our "graceful" Mademoiselles.

The high point of our Junior year was the arrival of our class rings in December. For weeks these rings were our main topic of discussion.

As the school year is quickly drawing to a close, we are starting to make plans for the annual Junior-Senior Prom which we hope will be the best one of all.

As this year closes behind us, we can think back as well as look ahead to next year when we will be Seniors and the graduates of 1963.

SOPHOMORES

HISTORY

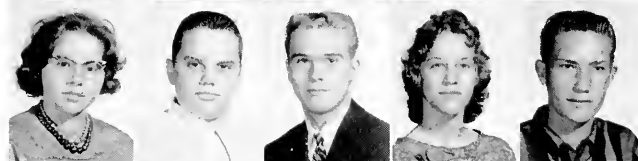

Our Sophomores have been very busy with the class party and new class jackets.

This year the sophomore class party was held on April 27. Much hard work and effort were put forth to make the party a success.

They are very proud of the fact that their class has more jackets than any previous class. Their jackets are charcoal gray with white numerals and "K".

7th & 8th Grade History

During this year the junior high teachers have had one goal: To better prepare the eighth grade students for high school. As in previous years, they have done their best to reach this goal.

Eighth grade students experience a world of new materials. They have their first taste of algebra, biology, and the preparation behind a research paper.

The eighth grade students are eagerly awaiting their freshman year.

The seventh grade is a brand new experience for its students, for it is the beginning of junior high school.

During this year the seventh grade students have not had many activities; they have been busy studying. The biggest event of the year was the class party which included dancing and games.

The seventh grade anticipates taking the steps forward into the shoes of their successors, the Eighth Grade.

Activities

Student Forum and Board of Control

STUDENT FORUM: *Row 1:* Mr. Rhodes, faculty representative; Sally Herr, Gail Thrapp, Pam Smith, Chris Sheets, Marianna Nartker, Barbara Snapp, class representatives.

Row 2: Charles Courtney, Hal Hanes, Marlin Lawrence, Larry Axel, John Hedges, Bill LaVigne, Dwane Thomas, Bob Mustard, class representatives.

The Student Forum is composed of sixteen student representatives from the seventh through the twelfth grades and the two faculty advisors, Mr. Rhodes and Miss Stone. They discuss many of our school problems, thus, the students are given opportunity to voice their opinions on the various subjects concerning our school.

The Board of Control handles requests or problems related to our school activities that are

not controlled by the School Board, faculty, or the Student Forum. Many of their decisions are based on recommendations from the Student Forum.

The Board of Control is composed of the junior and senior class presidents and a girl and boy elected by the student body along with five appointed teachers.

BOARD OF CONTROL: *Row 1:* Mr. Schwab, Mr. Tritch, Miss Eminger, Mrs. Smith, Mr. Ferrario, faculty representatives.

Row 2: Chuck Redman, Kathy Huber, elected representatives; Jim Rielun, senior class president; Dave Mains, junior class president.

SCHOLARSHIP—Row 1: Dave Mains, Jane Rasp, George Steckly (Valedictorian), Mike Soice (Salutatorian).
Standing: Dale Blech, Linnea Heathers, Brian Carter, Hope Hanes.

Award Day

One day a year is set aside for students who have done outstanding scholastic work. A blue ribbon is awarded to those students who have maintained two semesters of "A" work in a certain department. A red ribbon constitutes one semester of "A" work. Two students with the highest scholastic average are honored as well as the valedictorian and salutatorian. Students who have had perfect attendance for one year or more also receive ribbons.

Office assistants prove to be very helpful in our high school system under the direction of Mrs. Ruderman and Mr. Tritch. They do miscellaneous tasks, such as picking up absence slips, checking books in and out, and other errands that help keep our school office functioning efficiently.

Girls interested in books can help Miss Gilliland, our school librarian, in many ways. They keep our library books in good condition and help students in any way they can.

Our patrol boys are on duty in all kinds of weather to help protect the younger children of our school system. They help enforce the safety rules by ensuring the children of safe passage across the streets.

FFA: Prepared Boys for Farming Careers

OFFICERS: Robert Henschen, Sentinel; Don Richards, Secretary; Dennis Ackerman, Vice President; Gale VanWagner, President; Henry Heiman, Reporter; Ray Wentworth, Treasurer; Dale Schinbecker, Advisor.

The Kendallville Chapter of Future Farmers of America, which holds regular meetings the first and third Thursday of every month, has 39 members. The chapter acquired three members from Avilla this year through reorganization. This year 4 members were raised to green hand; also, 8 members received their chapter farmer

degree. The chapter tries to rid the community of pests by selling rat bait and holding a pest contest each year. Other activities included selling garden seeds, securing chairs and tables for the fish fry, and selling popcorn at the basketball games. In addition, each member was required to have a production project.

The Kendallville FFA members meet to discuss their current activities and projects. Each member presents the specific problems involved in his project to the group for discussion.

Ronald Leighty placed third among individual scores in last year's National Contest.

Paul LeCount, Chairman of the Noble County Extension Committee, presents Clairdon Strater with the Junior Corn King Trophy.

Again, our FFA chapter has been very busy and has worked very hard to win as many contests as possible. In 19 years of participation in the National Junior Vegetable Grower's Association Contests, Kendallville has won the national championship 11 times and has tied for top honors once. The local chapter has won trips and prizes valued at more than \$10,000.

Mr. Schinbeckler, our sponsor, has served as chairman of the national judging, grading, and identification committee for the past 10 years.

This year we will be represented at the District Parliamentary Procedure Contest for the first time. Some boys continue judging after graduation since the rules state that anyone can judge until he is twenty-one.

Dale Schinbeckler, coach; Dennis Ackerman, third individual; Ray Wentworth, first individual; and Victor Chaney, second individual, outscored all other teams at the NJVGA Convention. Wib Just presented the trophy.

Row 2: Ann Bolenbaugh, Jan Rensberger.

1961 Hoosier Boy's State delegates were Delbert La Rue, Hal Hanes, Ken Ihrie, Rick Claussen, and Jim Riehm.

Boys are chosen to represent cities and towns all over the state of Indiana. For one week at Indiana University, they study government and take part in a mock political campaign. Not only do these boys gain a better understanding of Indiana government, but also they learn how to live with other boys from all over the state of Indiana.

Girls' State is a mythical state which brings nominated girls from every town in Indiana together.

The session is held on the Indiana University Campus for a week during the summer. All government functions are studied. An election is held; the most important office, governor, is filled.

The main function of Girls' State is to teach us the rights and responsibilities of being American citizens.

Under the leadership of Dale Blech, the FTA Club has been represented at the Fall State Conference in Indianapolis, the Area Conference in Columbia City, and the Spring State Conference at Ball State Teachers College in Muncie. The juniors who are members spent a very profitable day in April attending classes at Manchester College.

The club decided to start a revolving scholarship loan fund with money they have earned. The FTA also bought and wrapped Christmas gifts for the State School.

Among the outstanding programs provided by the program chairman Karen Lash was a talk by Bard Sorbye of Norway, who came to our school through the American Field Service. During April, Teaching Career Month, we entertained our parents and Mr. Tritch told us of new teaching methods, equipment and techniques.

J. C. L. Developed Interest in the Classic Age

OFFICERS: Miss Eminger, Sponsor; Fred Rasp, Vice President; Chris Sheets, Secretary; Hope Hanes, Treasurer; John Bodenhafer, President.

Under Miss Eminger's direction, the J.C.L. has had another good year of work and fun. During the year they entertained other J. C. L. groups from Avilla and Rome City. In April a Roman banquet was held at which first year members served as slaves to older members. The highlight of the year was a trip to the Toledo Art Museum.

Their money raising project for the year was selling popcorn at the ball games.

Built Better Citizens Through Fellowship

"To Build a Better World" is the goal of all Y-Teens, a Christian organization of girls striving to acquire the knowledge of their future lives. With the love of God, Y-Teen members try to grow in learning, thinking, and understanding the tasks necessary to building world wide peace, unity, freedom, and brotherhood among people of all races, religions, and nationalities.

Activities such as preparing baskets of food at Thanksgiving for less fortunate families, a Christmas Party for underprivileged children, and providing clothing for the World's Clothing Drive are the activities through which Y-Teens work toward the achievement of their goal.

Meetings every other week provide spiritual and educational lessons given by guest speakers. Special programs include the Father-Daughter Dessert, Mother-Daughter Tea, Senior Farewell, and the formal dance, "Paradise in Pink."

The Wig and Paint Society of Kendallville High School has done well this year. There are approximately 125 members and more are expected by the end of the year.

To become a member, a student must try out at one of the Wig and Paint meetings, which are held every other Tuesday night. If he is taken into Wig and Paint, he then earns all the points he can in order to become a Thespian. He may earn points by acting in a play, working backstage, working on a committee, or by selling tickets for the performances.

Wig and Paint has presented two plays this year: "The Enchanted" and "Annie Get Your Gun." Sixty-five members received points for participating in "The Enchanted." "Annie Get Your Gun" is the second annual musical put on by the Kendallville Wig and Paint.

Wig and Paint's goal is "Making Believe!"

Thespians: Honored Excellence in Dramatics

Thespian Troupe 1106 now has 24 active members and will have more before the end of the school year.

To become a Thespian, you must try out before the Thespian board and then earn 10 points, which equals a total of 100 hours of stage work. It is possible for a person to earn all of his 10 points by participating in one play if he is a hard worker.

Dave Ruderman, one of our very hard workers, is an Honor Thespian. To become an Honor Thespian, you must have at least 60 points.

Several of the Thespian members tried out for the local Rotary Club Speech Contest this year. Among these persons was Nancy Butterbaugh who won first prize and went to the Regional Rotary Speech Contest.

AUDITORIUMS: Presented Educational Entertainment

Auditorium in years past has been a weekly program presented by students with different talents and by paid performers. These programs serve the student by broadening his knowledge, audience participation training, and experience in performing before audiences.

This year auditorium programs were scheduled at varied times. As students, we have seen science demonstrations, talent shows, actors and actresses, singers, dancers, students from other countries, films, and we have been taught the use of dial telephones.

The student is called upon to pay a fee of 50¢ a semester, which is a small price to contribute in comparison to what he gains. This year auditorium programs were under the direction of Mr. Donald Polzin; last year they were under the direction of Mrs. Elsa Buckner.

BAND: Provided Entertainment and Group Activities

This year the Kendallville High School Band, numbering seventy-seven, is the largest it has ever been.

The marching band and color guard performed during the football season; also, two pep bands played alternately for the home basketball games and for pep sessions.

The District Instrumental Contest was held in Kendallville this year; nineteen solos and ensembles entered from our school. Those who received firsts were: Diane Atz, Cathy Manuel, Cheryl Charles, Charles Courtney, Tom Atz, Jim Atz, solos; Maryjo Kimmell, Pam Weingart,

Pat Grady, Don Coney, Becky Poppy, Susan Henney, Melody Chrysler, ensembles; Jerry Landgraff, Barbara Siler, C. J. Sobrosky, David Thomas, Roger Hursey, Jim Atz, John Geiser, Fred Rasp, Sue Fisher, Melody Chrysler, Susan Henney, Becky Poppy, Don Coney, Trena Pontius, Dance Band.

In February the Band Parents sponsored the annual Band Carnival; in April the band presented their spring concert. In May the band completes its activities by playing for Commencement and marching in the Memorial Day parade.

VOCAL MUSIC: *Groups Have Grown and Improved*

Ronald Ham
Director

The vocal department, under the direction of Mr. Ronald Ham, has grown in number as well as ability since last year. The Girls' Glee Club, Mixed Chorus, and Freshman Chorus gave three programs during the year. In May the choruses combined with Wig & Paint and Band to present the musical "Annie Get Your Gun."

The Mixed Chorus and Girls' Glee Club are open to all freshmen through senior levels. Those interested in chorus begin their training in the Freshman Chorus.

Five of six ensembles entered the District NISBOVA Contest in Fort Wayne, where they were given a rating by a judge. This year the Senior Quartet and the Junior Sextet both received a First at District and State. The Sophomore Sextet received a First and a Second at State.

The sixth ensemble is composed of the Senior Quartet, Junior Sextet, and Boys' Octet. This group has performed for various churches, clubs, and auditorium programs.

SPOTLIGHT: Brought School News to the Students

The Spotlight, our school paper, is an extracurricular activity for interested seniors and is under the direction of Miss Delores Stone.

The Spotlight contains regular features of gossip, reports of the various organizations and clubs, the latest news in sports, editorials, and any other articles of interest to our students.

In addition to the regular monthly editions, the Spotlight publishes a "tourney times" during the tourney, and at the end of the year a special Spotlight is devoted to the seniors. Another Spotlight activity was the sale of popcorn and the sponsoring of a dance to raise money.

KAY AITCH ESS: *Recorded a Pictorial History of School Year*

We, the yearbook staff, present to you a pictorial history of the school year in the 50th edition of *Kay Aitch*. We hope that, as you turn the pages, our record of the Junior-Senior Prom, the Y-Teen dance, and other memorable Kendallville High School events will revive pleasant memories.

Work began in September when meetings were held to elect the theme and to decide on the appearance of the book. Subscriptions were sold; business managers sold ads; pictures were taken throughout the school; page dummies were set up; pictures were identified; and copywriters were soon busy with last minute changes. Before we knew it, it was time to send our book to press.

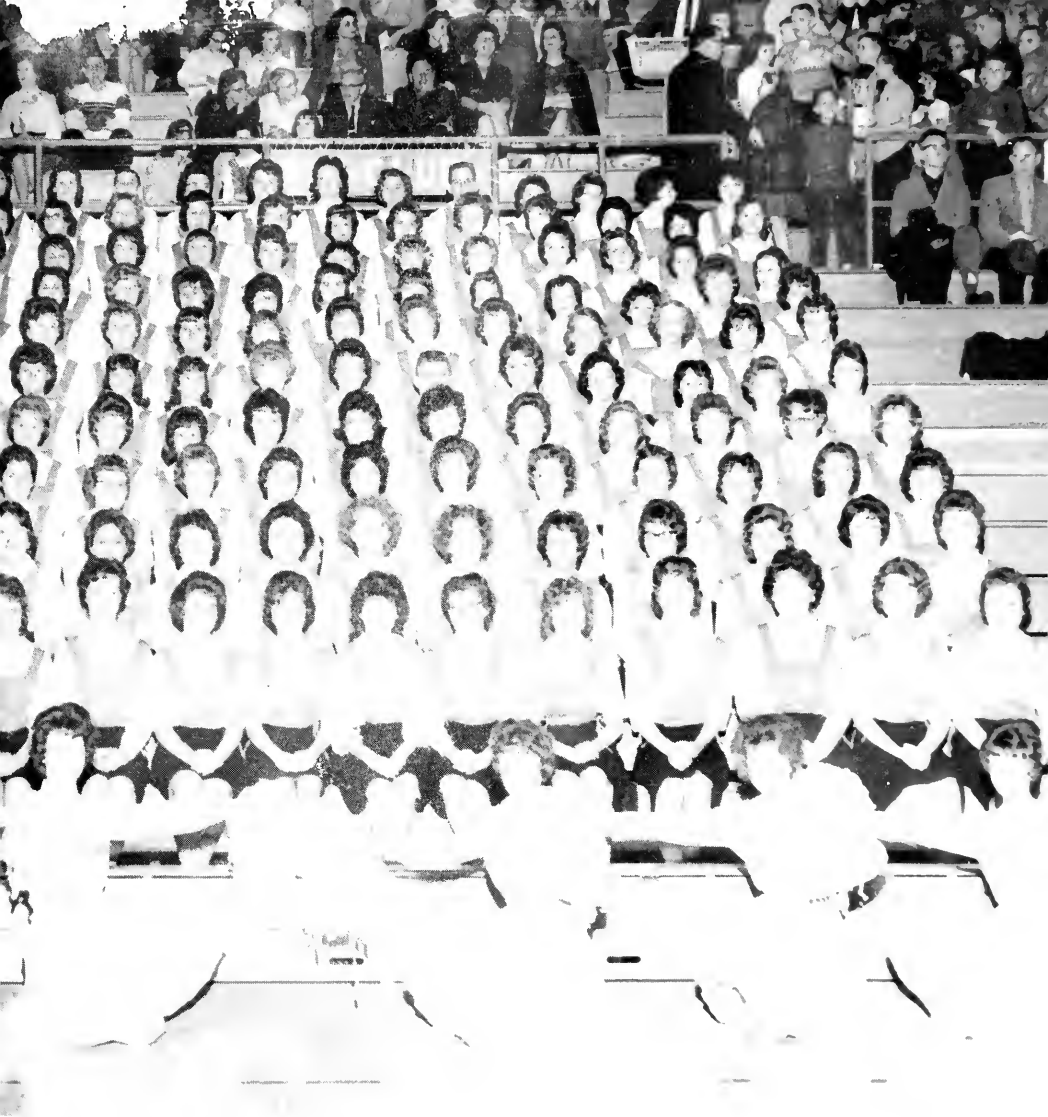

It is our hope that this edition of the *Kay Aitch* Ess will serve you as a reminder of this year's highlights and that it will provide you with many enjoyable moments.

ATHLETIC STAFF: Coached the Teams in 1962

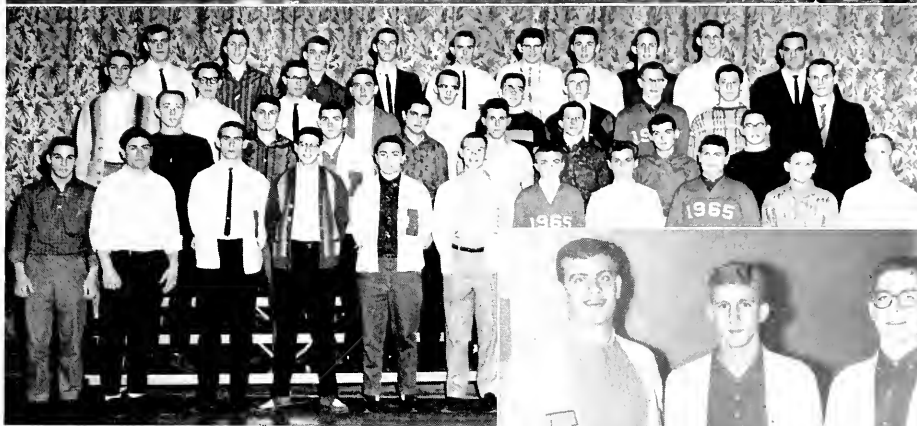

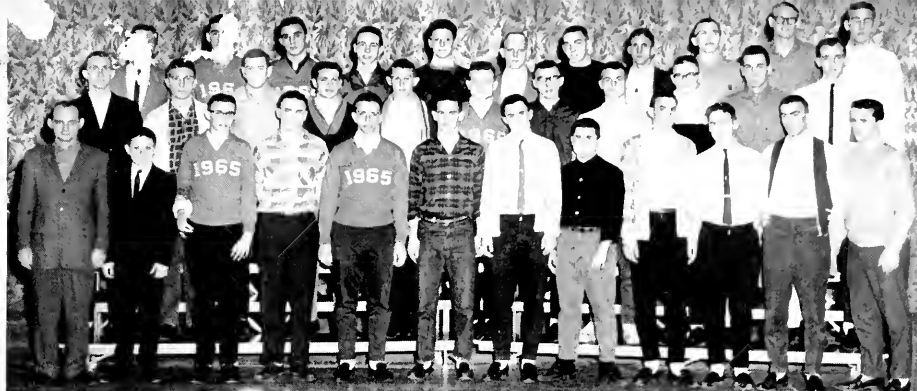

Football, basketball, baseball, track, and golf have been the most popular sports at Kendallville High School again this year. However, cross country, a minor sport, has been revised and is slowly gaining popularity.

Four new members have been added to the coaching staff: John Lebo, basketball; Jerre McManama, basketball; Hugh Enicks, track; and Clinton Frymier, track.

These new coaches, along with last year's staff, have done a fine job in teaching the many skills of each sport as well as good sportsmanship, in developing the right mental attitude, and in fulfilling the general purposes of the athletic department.

K-KLUB: Honored Athletes

The K-Klub is composed of boys who have "acted above and beyond the call of duty" in one or more of our five major sports. To become a member of this organization and to receive his award, a boy must participate and earn a certain number of points.

The K-Klub, a distinctive club for athletes, has many other functions. Two award banquets, a dance, the operation of the concession stand at the football games, and the sale of candy at the basketball games helped to provide a worthwhile year for the club members.

FOOTBALL:

Action Brought a Winning Season to K.H.S.

The Comet football team, playing with a great amount of hustle and desire under the direction of Ernie Ferrario, went to work in August of 1961 to produce one of the best Comet teams since football was revived in 1953. During the season the Comets would win a game one week and lose a game the next week. Finally, they ended the season with a five won and four lost record. The team tied for third in the N.E.I.A.C. conference with a five won and three lost record. The other defeat came from the Comets' only non-conference adversary, Nappanee.

The first time the Comets saw action this year was at the Jamboree held at Angola. The field was composed of the teams from Garrett, Auburn, Angola, and Kendallville. The Comets, who appeared somewhat nervous early in the

season, lost to Garrett and tied Auburn. They recovered later in the season and defeated Garrett and Auburn to close the season by winning a one point thriller from Angola. John Gehring, Tom Grubb, and Ken Ihrie were chosen for the N.E.I.A.C. honor team because of their outstanding play on the field.

JUNIOR VARSITY: Built a Team for Next Year

The junior varsity team provides Comet fans with an optimistic future. Losing their first game to Garrett, the Meteors bounced back to win their remaining seven games which included

a victory over Garrett. Under the leadership of Ernie Ferrario, the junior varsity with their fine record will try to win the Comets another N.E.I.A.C. championship.

JUNIOR HIGH FOOTBALL: Trained for the Future

After a season ends, we examine the team remaining for next year. Dick Mory, Bob Czupryn, and Jerry Deeter will begin training these younger boys. The seventh and eighth graders posted an above average record of four wins, three losses, and one tie. All of their defeats were close ones. The seventh graders will be back next year to record an even better record with the help of those who are now 6th graders.

JUNIOR VARSITY

The junior varsity team, coached by Jerre McManama, finished the season with a ten won, nine lost record. The season saw Mr. McManama substituting freely to give more boys valuable experience for the years to come.

The team showed hustle, desire, and, most important, good sportsmanship throughout the 1961-62 season.

Row 1: Roger Jackson, Tom Becker, John Faulkner, Brad Orndorff, Dan Rodgers, Gary Wymer.

Row 2: Bill Eicher, Roger Elliott, John Bodenhafer, Dick Sibert, Larry Axel.

Row 3: Mr. McManama, Larry Antonides, Dennis Dukes, Ken Gehring, Mike Soice, Dave Reichart, Steve Reith, Dennis Herr, Mr. Lebo.

VARSITY BASKETBALL: *Hoosier Hysteria* Comes to K.H.S.

After the Comet success on the gridiron, Coach John Lebo summoned all the boys interested in participating in basketball. The response was good as the season was. The record stood at 11-12 including the Holiday and Sectional tourney play.

The Comets fished last in the N.E.I.A.C. conference, overcoming only one foe, Garrett. However, the team made a comeback by winning the Holiday Torney for the first time since it has been played at Kendallville. Kendallville handed Garrett's second setback of the season, 56-53. In the final game the Comets overpowered Ligonier, 72-56.

The sectional wasn't quite as successful as

the Comet fans would have liked to have had it. Kendallville breezed by Wawaka, 82-41. Then our team readily handed Avilla a 78-60 defeat to advance to the semi-final game against Albion. The Comets had defeated Albion by 4 points the first game of the season, but Albion defeated the Comets, 58-42.

Under new coach John Lebo, the Comets played their best and two members of the team Dan Diggins and Ralph Miller were chosen for the N. E. I. A. C. honor teams. The team will lose five seniors through graduation. The school, the coaches, the remaining team members, and the junior varsity are looking forward to hard work and more honors next year.

BASEBALL

During the spring of 1961 the baseball team compiled a record of five wins and four losses under the coaching of Mr. Rhodes. There are several starters returning from last year around whom Mr. Lebo will build a team.

GOLF

Golf, coached by Mr. Mory, once again showed an outstanding season. Twelve wins, three losses, and one tie was enough to place the team with a tie for third place in the conference. The team graduated four good golfers, but a new team will be here to play its best.

CROSS COUNTRY

Cross Country, a sport that was revived this year at Kendallville High School, was directed by Hugh Enicks, another new member of our coaching staff. The team did well with a few boys placing near the front at invitational meets held throughout the state last fall.

TRACK: Stressed Individual Effort

The Kendallville track team, under the direction of Coach Mark McIntosh, came through with an impressive record of five wins, two losses, and one tie during the 1961 track campaign. Several boys received individual recognition at the Goshen and Kokomo relays and at the conference track meet. At the sectional meet Ralph Holler placed first in the shot put; Jerry Stienbarger, second in the mile run; and Bill Diggins, a second in the lows.

VARSITY JACKETS

The Honor Jacket is the goal that gives a young athlete the incentive to strive to do the best job possible in all the sporting events in which he may engage. It is the highest individual award given at Kendallville High School and is only awarded to a senior who has lettered in two or more sports.

G.A.A.: Offered Girls a Chance to Participate in Sports

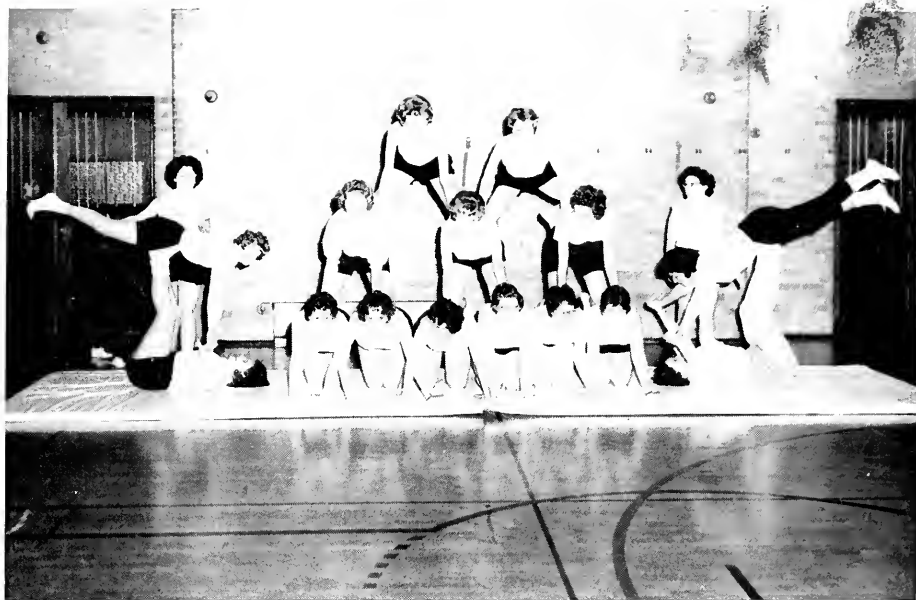

G. A. A. OFFICERS—Sitting: Penny Guthrie, Jan Renkenberger, Judy Bryie.
Standing: Karen Hite, Mrs. Smith.

The Girls' Athletic Association is an organization for all high school girls who are interested in participating in various games and sports. The local organization is a member of the Indiana League of Girls' Athletic Association.

Freshman girls and any new students that have transferred to Kendallville High School are invited to the annual Coke Party in September. At this party the officers are introduced and the program for the year is outlined. The highlight of the spring will be the Award Dinner at which time all girls who have become eligible for numerals, letters and pins will receive their awards. The officers for next year will be installed at the Award Dinner.

Ring Tennis was chosen for the first activity of the year. Marsha Henney served as Sport-head. Many girls participated in trampolining with Sharon DeBolt and Becky Poppy chosen as the Sportheads. Spring activities will include softball, tennis, and archery.

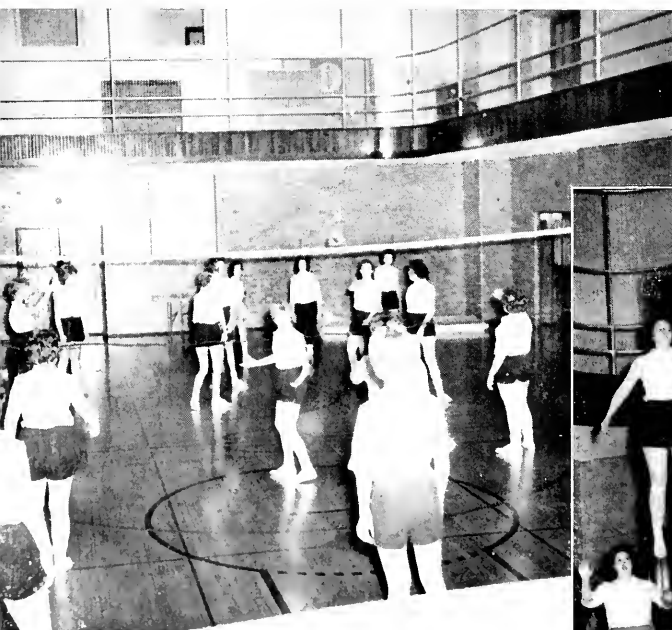

G.A.A. urges girls from the freshman to the senior year to join in the fun.

FAREWELL

The time has come to close this 50th Kay Aitch Ess and the high school career of another senior class. Although we have many wonderful memories of our years in high school which we will carry with us throughout our lives, we are eager to pursue our various plans and dreams.

Throughout our lives we have been helped and guided by our parents and teachers; now we must make our own decisions and solve our own problems. We will have to accept the con-

sequences of these decisions for our lives will be what we make them.

Some of us will obtain a job after school, and some will enlist in a branch of the armed forces while others will enter the trade school, the college, or the university of their choice. Whatever calling we follow, the knowledge and experience we have gained during our years at Kendallville High School will be the foundation of our future lives.
